

WE ARE THE WORLD
INTERNATIONAL VIRTUAL TALENT SHOW 2021

Dear Students and Families,

The 2nd International Virtual Talent Show, "We Are The World" hosted by Shu Ren Education and Potomac Chinese School is now open for registration. In 2020, the epidemic of COVID-19 had a huge impact and made tremendous changes to our lives. It has been said that: "The virtual platform has always been our dream. Now the epidemic has advanced our dream into reality." With the development of numerous cloud activities, virtual platforms rapidly developed in the education and entertainment fields. With the effort of group volunteers, we produced a virtual talent show, "We Are The World 2020." It was amazing to see all the talent from performances on pogo sticks to magic shows, from performances on musical instruments to dancing, from poetry reading to Rubik's cubes brought onto the virtual stage! We know that behind each performance there was one thing in common: passion!

Again, we are calling all singers, dancers, comedians, and anyone with a special talent to show us what you've got and join the virtual stage! Please review the details of the virtual talent show 2021 competition below.
